

KELOWNA
GENERAL
HOSPITAL
FOUNDATION

"Though we joke that we have accumulated frequent flyer points at KGH, my family is humbled by the care and support we received there. It is only due to the dedication of many that my husband successfully made it through his extended stay in 2006. The people working so hard to make a difference inspired me to do what I can as a volunteer and supporter of KGHF."
Chris Holtom

Your Gift for Life

Health is for living. We invite you to celebrate your life, and the lives of those whom you cherish. Make KGH Foundation your charity of choice in your philanthropic plans for now, for the generations to follow, For Life.
