

KGH FOUNDATION

KGH Foundation
Director of Philanthropy – (Senior Major Gift Officer)
Permanent Full Time Position

Kelowna General Hospital is a dynamic academic health science centre located in the Okanagan Valley, British Columbia. As the lead tertiary referral hospital for the interior of the province, Kelowna General Hospital is a full service surgical hospital with a large subspecialty presence and a growing research and innovation portfolio.

The Kelowna General Hospital Foundation is the largest health charity in BC outside of the lower mainland. Our activities support the advancement of healthcare throughout the interior of British Columbia. We are a dynamic and strategic organization focused on excellence. We are looking for the very best to work with our team to grow healthcare for the people of the interior of BC.

The Director of Philanthropy position encourages major gift and transformational giving and plays a key role in the Development Team with our community supporters.

The ideal candidate:

- Is focused on excellence,
- Has the desire and drive to achieve and surpass bold goals,
- Is accountable to their team and to the community,
- Has the ability to grow strong, lasting and meaningful relationships,
- Has the ability to acquire and develop new relationships focused on advancing healthcare,
- Possesses very strong written and verbal communications skills.

We are a high performance team looking for an extraordinary individual we can rely on and invest in. If you are an experienced, ambitious and highly skilled individual looking to play a significant role in philanthropy and make a difference in our community, we welcome you to submit a cover letter summarizing why you feel you are a fit for our team along with your resume addressed to Allison Ramchuk, Chief Development Officer for consideration.
