

Introducing... **THE KGH CARDIAC INNOVATION FUND**

The **KGH Cardiac Innovation Fund** is here! This new funding opportunity is designed to foster groundbreaking ideas that advance cardiac care within KGH and across our health authority. We are calling on all IH physicians, researchers, and health care teams to submit innovative proposals to enhance patient outcomes, optimize care delivery, and advance the future of cardiac care—right here at home.

FIRST GRANT CYCLE NOW OPEN!

Total Available Funding:
Up to \$250,000 per cycle

Application Deadline:
April 30, 2025 @ 23:59

Project Funding:
Max. \$100,000 per project

Physician Time:
Eligible at \$150/hour (IH admin rate)

WHO CAN APPLY?
