

# WORLD-CLASS HEALTH CARE CLOSE TO HOME

## Our Vision & Purpose

Everyone deserves access to the highest standard of health care. At the KGH Foundation, we are dedicated to advancing excellence in health care in the Southern Interior of British Columbia. We see a future where no one must travel to Vancouver, Victoria, or Calgary for advanced acute care, where their health care needs are met in the communities they live, work, and raise their families in.

We see a leading hospital at the forefront of innovation. We see proactive health care initiatives embedded within the communities we serve.

And most vitally, we see a generous community connected with transformative opportunities to enable world-class health care where it matters most to them – right here at home.

## KGH FOUNDATION

2268 Pandosy Street  
Kelowna, BC V1Y 1T2

Charitable Registration # 11897 8733 RR0001

“We wanted to find a way to help as many people as possible and chose to support health care because it touches all of us, from birth, until our last breath.”

- Mark and Anida Johnson,  
KGH Foundation donors

# A GIFT FOR THE FUTURE

KGH FOUNDATION

## Transforming Health Care for Future Generations

Making a future gift to the KGH Foundation is a powerful way to ensure world-class health care remains accessible right here in our community. Your gift will fund life saving equipment, cutting edge technology, and specialized care, helping future patients receive the best possible treatment close to home. Your generosity will change lives in ways you may never see but will always be felt, whether it's a newborn's first breath or a loved one's last.

Since 1978, the KGH Foundation has been a trusted steward of community generosity like yours, funding breakthrough medical advancements at Kelowna General Hospital (KGH), while also supporting vital community health initiatives and partnerships. Your gift is healing.

It changes everything.

Your gift will shape the future of health care.

Now, and for generations to come.

# ABOUT US

## Rooted in Community

A gift to the KGH Foundation is an investment in your community. Every dollar stays local, directly supporting Kelowna General Hospital, JoeAnna’s House, Central Okanagan Hospice House, and proactive health programs in the community. Your gift will touch the lives of people who matter to you—neighbours, friends and family members of today and long into the future.

## Trusted Partner

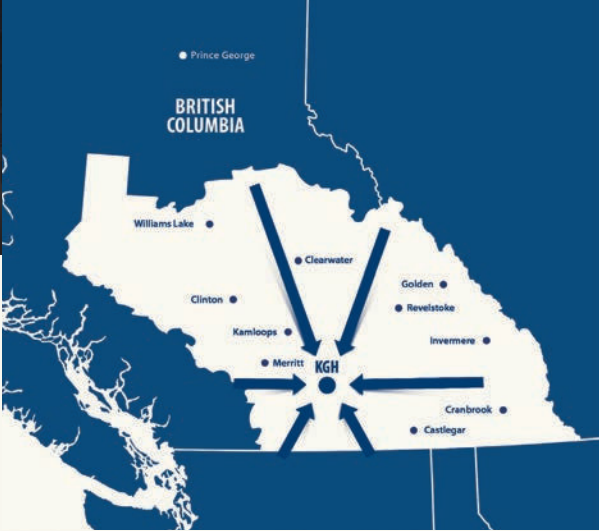

For over 40 years, a deeply committed community of donors has placed their trust in us. As an Imagine Canada-accredited charity, we uphold the highest standards of transparency, ethical fundraising, and governance. With a proven track record and an unwavering commitment to impact, the KGH Foundation is a trusted, permanent force for health care excellence.

## Committed to Innovation

We don’t just fund care—we drive progress. Our reach extends beyond the hospital walls, funding proactive community programs that reduce hospital visits. We also facilitate clinical breakthroughs by investing in research and training initiatives for our medical professionals. This commitment to innovation is helping shape a stronger, more proactive health care system.

# World-Class Health Care in the BC Interior

Kelowna General Hospital serves as the referral centre for the Interior Health region and beyond, supporting communities across a vast area of BC’s interior.

“We want to directly impact our own community. KGH services every single demographic—every age, gender, socio-economic condition, everyone. Everybody benefits.”

– Jessica Dichow and Tyrel Hansen, KGH Foundation donors

## A Leading Hospital

Kelowna General Hospital is poised to become a world-class leader in health care, serving as the Southern Interior’s primary referral center and a hub for advanced care. Home to emerging centres of excellence, cutting-edge technology, and highly skilled teams, KGH is shaping the future of rural and remote health care while cultivating the next generation of medical professionals. Through innovation, collaboration, and a commitment to addressing the evolving needs of the communities it serves, KGH is setting new standards in Canada and beyond.

## Proactive Care In Community

A holistic vision of health care promotes well-being by addressing the social, emotional, and physical factors that contribute to a flourishing life. Many of today’s most pressing health challenges—mental health, chronic conditions, and social isolation—cannot be resolved solely within acute care settings.

By collaborating with communities and activating a collective vision, we position our region to flourish, transforming health care into a shared journey of wellness and connection.

# YOUR GIFT, YOUR VALUES

Your gift will reflect what matters most to you. You can choose to direct your future gift to an area that aligns with your values, a few examples include:

- Area of Greatest Need
- Cardiac Care
- Pediatric Care
- JoeAnna’s House

## Next Steps

Connect with our team, speak with your advisors, and explore your options including:

- Amount or percentage in your will or trust
- Securities and registered accounts
- Donor-Advised Fund
- Gift of life insurance

A future gift is for everyone, no matter the size. You can make a difference, and you’ll join a community of donors dedicated to ensuring KGH remains a leader in health care for everyone in your region.

Our dedicated team is here to work with you and your advisors to ensure your gift reflects your values and creates the impact you envision.

**Now is your opportunity.**  
**Join us in shaping the future of health care.**
